- **Port Staff Update - Marina Entrance Channel Dredging Project**

- **Re-establishing the small RV campground at the Herb Beck Marina in collaboration with the PUD**

**Please join us at the Quilcene Community Center at 5:30 p.m. on Wednesday, August 30** to continue our conversation. The meeting provides an opportunity to share some great news regarding State (RCO) funding for the Boat Launch replacement project and related parking, restroom, and site improvements. It will also provide a chance for Jefferson County PUD staff to share exciting news about building a rural broadband network to serve Quilcene, Discovery Bay, Gardiner and Chimacum, and how that project can help to “fast track” re-establishment of the RV campground at the Herb Beck Marina.
