Notes:

(a) There have been several changes in staffing since 2018 that contribute to the year to year variance. Such changes have been noted and discussed throughout the year at Commission meetings. Also, part of the variance includes ~\$50,000 in sick and vacation payouts at termination in 2018.

(b) The 2018-2019 variance in benefits paid is partly due to changes and timing of those changes in staffing, but primarily is a timing issue that will catch up by year end. Budget is on target.

(c) Whereas this is below 2018, it is higher than budget due to invoices for legal services related to Seattle Maritime Academy litigation regarding the John Cobb derelict vessel. A settlement payment was received in July that offset the YTD SMA legal fees (~\$47,000).

(d) The primary reason for the variance to prior year is due to the ~\$52,000 increase in Bad Debt write-offs.

(e) Marketing costs are on par with 2018 YTD, though ahead of budget by ~\$5,000.

(f) Variance to prior year, 2019 is higher due to Hazwoper training for staff (\$4,181), though budget is on target.

(g) Variance between 2018-2019 and YTD budget to actual is from changing from accrual based (reporting the cost of fuel SOLD), versus cash based (reporting the cost of fuel PURCHASED), though fuel sales in 2019 have increased due to having a Facilities Attendant in Quilcene.

(h) YTD Capital Contributions/Grants are less than YTD budget because it was anticipated the Port would be in construction phase of the JCIA Runway Rehab project at this point when the budget was adopted last year.

(i) Interest income is higher than budgeted because more cash has been retained since the JCIA Runway Rehab construction hasn't commenced. Conversely, it is slightly less than YTD 2018 since the ARRA Bond Rebate won't be received until December 1.

(*j*) Increases to Miscellaneous Non-Operating Revenue for the \$100,000 paid for the purchase of a surplused building by New Day Fisheries; these monies have been placed in the Port Wide Capital Reserve. In addition, there was an increase of approximately \$132,000 for the portion of the SMA legal settlement (totaling \$212,000) that wasn't used to pay down the outstanding accounts receivable for the Cobb vessel.
