

**Emergency Order 2021-01
COVID-19 Pandemic Response**

May 13, 2021

Responses to the COVID-19 pandemic continue to evolve as new data become available. The Port has previously issued 10 emergency orders related to COVID-19, specifically, E.O. 2020-01 through E.O. 2020-10. Governor Inslee has issued scores of proclamations related to COVID-19 and early on in the pandemic the Port sought to incorporate each new proclamation into a new emergency order. Jefferson County moved into Phase 3 of the Healthy Washington Roadmap to Recovery¹ on March 22, 2021 and working in concert with our sister entities, the Port desires to safely return to “normal” operations.

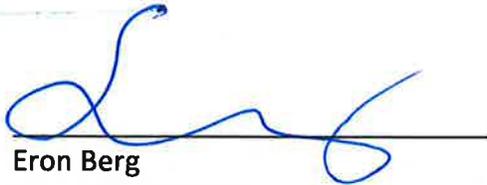

In an effort to clarify the status of existing emergency orders and maintain compliance with current and future proclamations from the governor’s office, guidance from the State of Washington and directives from Jefferson County’s Health Officer, the following changes shall apply:

1. Emergency Orders 2020-01 through 2020-10 are rescinded.
2. Port staff, tenants, customers and guests shall comply with Governor Inslee’s proclamations, guidance from the State of Washington and directives issued by Jefferson County’s Health Officer, while on Port properties and/or when on duty.
3. Users of the Marina Room shall be charged an additional fee, per rental, of \$69.00 to pay for the cost of sanitization between users.
4. Port tenants, customers and the general public shall avoid all Port areas if they have:
 - a. Any symptoms of COVID-19 (dry cough, fever, generally feel unwell); or
 - b. Been tested for COVID-19 and are awaiting results; or
 - c. Had contact within the last fourteen (14) days with any individual confirmed to have tested positive for COVID-19.
5. Port staff shall not report for duty and if at work, shall leave work, if they have:
 - a. Any symptoms of COVID-19 (dry cough, fever, generally feel unwell); or
 - b. Been tested for COVID-19 and are awaiting results; or
 - c. Had contact within the last fourteen (14) days with any individual confirmed to have tested positive for COVID-19.

¹ The Healthy Washington - Roadmap to Recovery chart is attached.

6. The temporary use by Port tenant restaurants of outdoor areas for seating and social distancing without rent shall continue until indoor dining is allowed with at least 75% occupancy.
7. Day-to-day practices (e.g., maintaining the closure of moorage offices, additional restroom cleaning and/or closures) will be managed without issuance of new emergency orders.
