### BOARD OF TRUSTEES

# *2022 WPPA Annual Meeting*

December 7–9  
Hotel Murano  
Tacoma

Welcome to the 2022 WPPA Annual Meeting at the Hotel Murano in the great City of Tacoma. We are excited you are here. Over the next few days, we are going to look forward to the future of Ports as the world changes around us over the next 50 years. We will spend time hearing from three of our colleagues about the vital work they are doing in their communities in their Port Reports. We will be celebrating Life Member Recipients, the Port of Year, and the hard work of our outgoing Executive Committee President.

This past year has been tumultuous both in the world around us and at WPPA. In the past six months we have gained stability, sought clarity, and begun moving WPPA forward again. At this Board of Trustees meeting, we will do vital work for the future success of WPPA. We will be confirming the dues formula for another 5 years, we will be appointing new Executive Committee members and most significantly confirming a new Executive Director to lead us into the future.

Please join us to learn, celebrate and do essential WPPA business.

At WPPA we advocate, educate, and connect to serve our member Ports.
