AGENDA

Point Hudson Jetty Project

- Port Engineer Matt Klontz will provide a current project update
- Harbor Master Kristian Ferrero will discuss moorage issues

This workshop is open to Commissioners, Management, other Port staff, Consultants and the public. It is not the opportunity to give public testimony, but if Commissioners request input from individuals in the audience, those people may speak. The principal purpose of the workshop is to allow Port staff and the Board of Commissioners to communicate with each other and/or Consultants, answer Commission questions, and get the Commission's opinions and input regarding the subject topic(s).
