AGENDA

- A. West Boatyard Expansion Alternatives
- B. WPPA Commissioners Seminar July 24-26 Agenda Discussion Item: What's on Your Mind? Open Discussion Forum. Conversation prompt: One success and one challenge from the past year or the year ahead - NOTE: Will ask each port to speak, rather than each commissioner. Our goal is to have one person from each port speak, if possible, rather than each commissioner
- C. WPPA, Governance and Management Guide – Chapter 5 Port Operations

This workshop is open to Commissioners, Management, other Port staff, Consultants and the public. It is not the opportunity to give public testimony, but if Commissioners request input from individuals in the audience, those people may speak. The principal purpose of the workshop is to allow Port staff and the Board of Commissioners to communicate with each other and/or Consultants, answer Commission questions, and get the Commission's opinions and input regarding the subject topic(s).
