INFORMATIONAL MEMO

DATE: 8/10/2022
TO: Port Commission
FROM: Abigail Berg, Director of Finance & Administration
SUBJECT: IDD Levy Financial Report, YTD Qtr. 2, 2022

ISSUE

NA

BACKGROUND/DISCUSSION

Per RCW 53.25, port districts are authorized to adopt an Industrial Development District (IDD) levy for the redevelopment of lands in an IDD designated area. The IDD Levy was adopted by the Commission via resolution 698-19 after a vote of the people approved it in the November 2019 election and includes all three districts of Jefferson County.

The purpose of this report is to keep the Commission apprised of the Industrial Development District (IDD) receipts and authorized capital expenditures activity during the term of the levy. It includes the annual budgeted tax receipts and capital project expenses as well as the actual year-to-date tax receipts and capital project expenses since the inception of the levy. In addition, we have included the running total of the estimated remaining levy amount that can be taxed, the annual millage rate, and the reserve fund balance as of the date of the reported quarter's reconciliation transfer.

Monthly IDD-funded capital expenses are paid from the Port's general fund, but the general fund is not reimbursed from the IDD reserve until the quarterly reconciliations are prepared and executed. When the quarter-end reconciliation is created and the transfer (reimbursement) is made to the general fund, those figures are entered into this report.

FISCAL IMPACT

The report shows the income, expenditures, and current balance of the IDD Reserve fund. The largest project planned for this year is Point Hudson Jetty replacement, a 2-year phased project, that is approximately 2/3 of the year's capital budget that is partially funded by the IDD. This project is moving forward to commence construction in September.
