**PORT OF PORT TOWNSEND
SPECIFIC POLICY DIRECTIVES OF
ADMINISTRATIVE AUTHORITY OF THE
PORT DISTRICT EXECUTIVE DIRECTOR**

July 28, 2010

The Commission of the Port of Port Townsend adopts the following policy for the purpose of establishing the Administrative Authority of the Executive Director (ED) who is responsible for normal Port operations. The phrase "normal Port operations" as used herein, means regular day-to-day business transactions involving personnel, materials and funds. The Commission shall retain an ED to implement the objectives of the Port, which shall be established by the Commission. The ED derives authority from the Commission acting as the governing body. The ED shall regularly inform and consult with the Commission regarding significant information and business transactions by a method mutually agreeable to the Commission and the ED. Commission directives or initiatives shall be made through the ED and shall be made only by the Commission acting as a body. The ED shall serve as the primary spokesperson for management.

Certain elements of this policy require annual approval per RCW. Therefore, this Administrative Authority Policy shall be reviewed and readopted annually.

I. UTILIZATION OF PORT CREWS

The Port District ED shall retain professional staff, which shall operate and manage according to directives from the ED. The ED is authorized to administer day-to-day operations which include personnel administration (task & project assignments, hiring, firing, setting salary & benefits, training, grievance procedures, employee enrichment & improvement, Union negotiations, etc.) within positions created and approved by the Commission.

A. Performance of Work by Port Crews

Prior Commission approval shall not be required where individual capital or maintenance projects are to be carried out by Port crews or day labor (when deemed appropriate) and do not exceed Fifteen

Thousand Dollars (\$15,000.00), exclusive of applicable taxes. The ED may inform the Commission at the next scheduled meeting of all actions under this section.

II. RULES AND / OR PROCEDURES

The ED is authorized to adopt administrative rules and regulations necessary for the efficient operation of the Port so long as such rules and regulations are reported to the Commission and are consistent with Commission policy. All amendments to the rules and regulations established therein may hereafter be made by the ED, so long as such amendments do not exceed the authority of the ED, as granted elsewhere herein, and are reported to the Commission in a timely manner.

The ED may delegate to appropriate Port staff such administrative authority or reporting requirements herein established as is necessary and advisable in the efficient exercise of the ED's authority. To implement delegations or authority to Port staff, the ED shall promulgate policy and procedure manuals, monetary delegations authority and employee position descriptions, affirmative action plans and office manuals which shall include such delegations as appropriate. The responsibility for all administration and day-to-day operations of the Port rests with the ED.

III. SALE OF PERSONAL PROPERTY

The Port District ED, with prior Commission approval, is authorized pursuant to RCW 53.08.090 to sell and convey surplus personal property of the Port pursuant to the requirements of RCW 53.08.090.-092 (as amended or succeeded). The ED is authorized to sell and convey surplus personal property of the Port of Port Townsend subject to the following conditions:

- A. That the value of such personal property does not exceed the dollar limits authorized under RCW 53.08.090-092 (as amended or succeeded).
- B. Prior to any such sale or conveyance, the ED shall itemize and list the property to be sold and make written certification to the Commission that the listed property is no longer needed for

district purposes.

- C. Any large block of such property having a value in excess of the limits authorized under RCW 53.08.090 (as amended or succeeded) shall not be broken down into components of a lesser value and sold unless done so by public competitive bid.
- D. That offers for purchase are solicited from at least three (3) parties when no bids are received from the public competitive bidding process; unless waived by the Commission on a case-by-case basis.
- E. No real property or facility which is part of the comprehensive plan of improvement or modification thereof shall be disposed of until the comprehensive plan has been modified pursuant to RCW 53.20.010 and such real property or facility is found to be surplus to Port needs.

IV. CONTRACTS FOR PERFORMANCE OF WORK

- A. Contract Awards for Construction and Maintenance
 - 1. The Port District ED may, without prior Commission approval, execute on its behalf Small Works Roster contracts where the total estimated contract price does not exceed Fifteen Thousand Dollars (\$15,000.00) exclusive of applicable taxes, and so long as all statutory procedures are followed, including bid and performance surety requirements. All contracts awarded under this section will be reported to the Commission at the next scheduled meeting. Public discussions with the Commission regarding all projects should precede any contract unless an emergency exists.
 - 2. The Port District ED may, execute on behalf of the Port contracts for large projects that have been properly approved including costs at a public Port meeting, and all statutory procedures must be followed. Upon proper approval from the Commission, the Port District ED may publish a notice calling for bids, award of contract or rejections of all bids will be done by vote of the Commission at a public meeting.

3. When any emergency shall require the immediate execution of a contract for work the Port District ED, pursuant to the procedures of RCW 39.04.020 (as it may be amended or succeeded), is authorized to make a finding of the existence of such emergency and execute any contracts necessary to respond to the existing emergency, provided that the Port District ED shall, at the first opportunity contact a Commissioner, and at the first Port Commission meeting following the finding of the existence of an emergency, request the Port Commission ratification of the finding of emergency and any contracts awarded and or executed pursuant to that finding.

B. Change Orders

Where a contract for the performance of work has been awarded and under which the work is in progress, and individual changes in plans or specifications are necessitated in order to properly accomplish the work, the ED is authorized, without prior Commission approval, to execute on its behalf individual change orders to the contract if all of the following conditions are met:

1. The estimated cost of the aggregate changes in plans or specifications, exclusive of applicable taxes, will not exceed Fifteen Thousand Dollars (\$15,000.00).
2. For contracts of \$1 million dollars or more, the change order shall not exceed Fifty Thousand Dollars (\$50,000.00).
3. The contract provides for the issuance of changes orders.
4. The individual change order has been approved and certified by the project architect or engineer as being necessary to the proper accomplishment of the work called for in the basic contract.
5. The ED shall inform the Commission at the next scheduled meeting of all actions undertaken under this section.

C. Professional Services / Consulting Services:

The ED shall be responsible for the initiation of appropriate procedures to obtain

professional or consultant services where deemed necessary in carrying out normal Port operations. When necessary, Port Legal Counsel shall be consulted with respect to statutory procedures in connection with these services. The ED may arrange for these services, without prior Commission approval, when the cost of the proposed service for any single project will not exceed Ten Thousand Dollars (\$10,000.00). If the fee for such services is estimated to exceed Ten Thousand Dollars (\$10,000.00), prior Commission approval shall be required. The ED shall inform the Commission at the next scheduled meeting of all actions undertaken under this section.

D. Architectural, Engineering & Technical Services:

The ED is authorized to contract with qualified architectural, engineering and technical testing & inspection firms licensed in the State of Washington to provide such services as required for maintenance, preliminary engineering work or small projects of the Port.

Arrangements for obtaining such services shall follow all required statutory procedures and shall be consistent with normal established fees paid for such services. If the fee on any single project or closely related work is estimated to exceed Fifteen Thousand Dollars (\$15,000.00) Commission approval shall be required. The ED shall inform the Commission at the next scheduled meeting of actions undertaken under this section.

E. Reports:

Notwithstanding the authorities granted in the preceding sections A - D, the ED shall keep the Commission advised of all contracts, reports and activities.

V. ACQUISITION OF UTILITIES, MATERIALS, EQUIPMENT, SUPPLIES, AND SERVICES.

The ED shall have the responsibility for following all statutory requirements and procedures in connection with all acquisition of utilities, materials, equipment, supplies and services. Utilities, materials, equipment, supplies and services may be acquired on the open market, or by competitive bidding when necessary for the normal maintenance and operations of the Port, and

no prior Port Commission approval shall be required but shall, where appropriate, be approved as part of normal monthly expenses and shall be within authorized budgets. The Port District ED may acquire utilities, materials, equipment, supplies and services subject to the following conditions:

- A. The purchase price does not exceed \$15,000.00 or has been pre-approved by Commission, or if specifically identified while developing the annual budget and does not exceed the budgeted amount.
- B. In the event of competitive bidding all statutory regulations must be followed.
- C. The Ed is authorized to establish a system to control purchase of materials, supplies and services. Such system should take into consideration the nature of the purchases, and that the invoices have been properly processed and approved in accordance with Port Policies and Procedures.

VI. REAL & PERSONAL PROPERTY RENTALS OR LEASES

All real & personal property belonging to the Port, when available for rent or lease, shall, except as otherwise provided herein, be leased only under an appropriate written lease instrument approved by the Commission in accordance with RCW 53.08.085. The term lease as used herein may refer to rental agreements, operating agreements or use agreements. Provided, however, in the case of a month-to-month lease subject to all the following conditions, the ED may execute the lease:

VII. LITIGATION

The ED, in coordination with Port Counsel (appointed by the Commission), shall be responsible for the procedures necessary for management and supervision of litigation in which the Port has an interest, directly or indirectly. For purposes of this section, "litigation" shall mean the assertion of any position, right or responsibility by or against the Port which has been filed in any court of general jurisdiction, be it State or Federal, or any quasi-judicial or administrative forum. The ED

shall inform the Commission at the next regular meeting of all actions undertaken under this section.

VIII. ADJUSTMENT TO ACCOUNTS RECEIVABLE OR UNCOLLECTIBLE ACCOUNTS

The Port District ED is authorized to establish procedures to:

- 1) Make adjustments to accounts receivable for valid business reasons which do not constitute a gift of public funds, or
- 2) Remove from the general ledger uncollectible accounts with prior approval from the Commission.

Prior to classifying any account receivable as a "doubtful account", the ED shall be satisfied that every reasonable effort has been made by the staff to resolve or accomplish the collection of the account. For those accounts that fail to make payment, the ED shall authorize Port Legal Counsel to bring action in courts of law, or appropriate steps for possible collection. The Ports accounting records shall reflect that any account more than one hundred twenty (120) days past due is a "doubtful account". The ED shall review the doubtful accounts periodically (at least annually); recommend to the Commission which accounts should be deemed as "uncollectible" and removed from the Port's General Ledger. The Port may take collection action more quickly than set forth in the doubtful accounts collection procedure, or may exercise other remedies if available. The classification of an account as "doubtful" or "uncollectible" shall not waive any rights or release any claim against the Account Debtor. The ED shall inform the Commission at the next regular meeting of all actions undertaken under this section.

IX. PROPERTY ACQUISITION AND SALE OF REAL PROPERTY

When the Commission authorizes the acquisition of real property by purchase or condemnation, the ED shall take all necessary steps including, but not limited to obtaining appraisals / market

analyses, to secure title of such property for the Port. The acquisition price shall be established based on appraisals, market analyses and negotiations and shall be approved by the Commission prior to any finalization of the purchase, ED shall sign all necessary documents.

When the Commission authorizes the sale of real property, the ED shall take all necessary steps to complete the transaction including, but not limited to obtaining appraisals, accepting deposits and opening escrow accounts for the Port. The sale price shall be established based upon factors including, without limitation, negotiations, appraisals/market analyses, special benefits to the Port and community, employment generated by the project, and shall be approved by the Commission prior to any finalization of the sale, ED shall sign all necessary documents.

X. INSURANCE PROGRAMS

The ED shall be authorized to work with an insurance broker, pre-approved by the Commission, to negotiate and obtain appropriate policies of insurance to cover Port property, liability, Commissioner and employee coverage, vehicle and other areas appropriately included within a comprehensive insurance program. The ED is authorized to approve from time to time changes or modifications within the insurance policies, these changes shall be promptly reported to the Commission at the next scheduled meeting so as to keep Commission informed of basic changes in the overall insurance program of the Port.

XI. EMPLOYEE TRAVEL, EDUCATION & CONFERENCE ATTENDANCE

The ED is authorized to approve travel and attendance of conferences or education opportunities by employees, without prior Commission approval. The limits of such authorization shall be for travel within the continental United States and the total costs shall not exceed \$1,000.00.

Estimated costs in excess of \$1,000.00 shall require Commission approval prior to travel. Travel

costs must be within the current budget.

The ED will review all requests for travel to conferences or education to assure that it is applicable to the Port or Port operations.

XII. BANKING SERVICES AND INVESTMENT OF TEMPORARILY IDLE PORT FUNDS

The ED is authorized to negotiate for banking services and enter into agreements for such services; provided, however, unless approved in advance by the Commission, such agreements shall be terminable by the Port, without penalty. Procedures shall be established for the deposit / disbursement of Port funds recognizing the requirements cited in RCW 53.36.010 and that such procedures shall provide for an adequate system of internal control. Such banking service agreements shall be reported to the Commission at the next regular meeting.

For purposes of this section, "Temporarily Idle Funds" shall mean those funds which are not required for immediate expenditure. The Port District ED is authorized to develop procedures to direct the Port Treasurer, in accordance with applicable law relating to the investment of public funds, in the investments of temporarily idle Port funds. These directives include, but shall not be limited to, investments in public fund approved vehicles of investment, sale of such investments, and necessary interfund transfers. A summary of all financial activities shall be provided at Port Commission meetings.

XIII. TRADE DEVELOPMENT PROGRAMS

The ED is authorized, consistent with budget and statutory limitations, to develop and carry out programs of trade development (which may include tourism and tourism promotion), advertising, and promotion of the Port, including its properties, facilities and services. Such programs shall be

reviewed by the Commission from time to time.

XIV. GRANTS AND APPROPRIATIONS

All grant and appropriation requests (regardless of value) will come before the Commission for approval prior to submission.

XV. AFFIRMATIVE ACTION AND EQUAL EMPLOYMENT

It is the basic policy of the Port to provide equal opportunity to the users of all Port services and facilities, all contracting entities, Port employees and applicants for employment, and to assure that there be absolutely no discrimination against any person on the grounds of race, creed, color, national origin, sex, sexual orientation, marital status, age or the presence of any sensory, mental or physical handicap. This policy is to be implemented by the Executive Director.
