

RESOLUTION NO. 612-14

A Resolution of the Commission of the Port of Port Townsend

BOATING INFRASTRUCTURE GRANT AUTHORIZING RESOLUTION FOR THE POINT HUDSON JETTY RENOVATION PROJECT.

This is a resolution that authorizes submitting application(s) for grant funding assistance for Boating Infrastructure Grant project(s) to the Recreation and Conservation Office as provided in 50 Code of Federal Regulations (CFR) Part 86, Boating Infrastructure Grant Program: Final Rule; WAC 286 and subsequent Legislative action.

WHEREAS, under the provisions of the Boating Infrastructure Grant (BIG) program, grant assistance is requested to aid in financing the cost of facility development; and

WHEREAS, our organization considers it in the best public interest to complete the project described in the application(s);

NOW, THEREFORE, BE IT RESOLVED that:

1. The Executive Director of the Port of Port Townsend is authorized to make formal application to the Recreation and Conservation Office for grant assistance;
2. Any grant assistance received will be used for direct costs associated with implementation of the project referenced above;
3. Our organization hereby certifies that our matching share of project funding will be derived from the Port of Port Townsend's Operating Reserves Fund and that we are responsible for supporting all non-cash commitments to this project should they not materialize.
4. We acknowledge that the grant assistance, if approved, will be paid on a reimbursement basis, meaning we will only request payment from the Recreation and Conservation Office after eligible and allowable costs have been incurred and payment remitted to our vendors, and that the Recreation and Conservation Office will hold retainage until the project is deemed complete.
5. We acknowledge that any facility developed through grant assistance from the Recreation and Conservation Funding Board must be reasonably maintained and made available to the general public at reasonable hours and times of the year according to the type of area or facility unless other restrictions have been agreed to by the Recreation and Conservation Office Director or the Recreation and Conservation Funding Board.
6. We acknowledge that any facility developed with grant assistance from the Recreation and Conservation Funding Board must be dedicated for public outdoor recreation purposes, and be retained and maintained for such use for a minimum of 20 years from the date of final project reimbursement unless otherwise provided and agreed to by our organization, the Recreation and Conservation Funding Board, and the US Fish and Wildlife Service.
7. We have read both the federal guidelines and state policies for the BIG program and agree to abide by those guidelines and policies, and as BIG grants are federal funds, our organization must comply with all applicable federal laws.
8. This resolution becomes part of a formal application to the Recreation and Conservation Office for grant assistance; and
9. We provided appropriate opportunity for public comment on this application.

ADOPTED this 23rd day of April 2014, by the Commission of the Port of Port Townsend and duly authenticated in open session by the signatures of the Commissioners voting in favor thereof and the Seal of the Commission duly affixed.
