5. Conduct of Regular Business Meetings:

- a. The Port Commission, as a governing body, is charged with making decisions that advances the mission of the Port and which are based on sound information and analysis, respect for views of the public, and each Commissioner's best disinterested judgment.
- b. With only 3 elected Commissioners, the Commission can operate with a high degree of informality and need not be bound to all the provisions spelled out in standard codes of parliamentary procedure. However, some formal procedures need to be followed to respect the rights of all 3 Commissioners to participate equally and fully in all Commission business.

- c. Some fundamental principles for conducting Commission meetings include (taken from The Standard Code of Parliamentary Procedure, by Alice Sturgis):
- i. All Commissioners have equal rights, privileges, and obligations.
  - ii. The majority vote decides.
  - iii. The rights of the minority must be protected.
  - iv. Full and free discussion of every proposition presented for decision is an established right of the members.
  - v. Every member has the right to know the meaning of the question before the Commission and what its effect will be.
  - vi. All meetings must be characterized by fairness and by good faith.
- d. Routine and ordinary business may be approved and/or rejected by the Commission by placing it on either the Consent Agenda, or as an item of “Regular Business”. Examples of items typically placed on the consent agenda are approval of warrants and meeting minutes.

Examples of items considered as “Regular Business” include lease agreements, contracts, and grant agreements.

Matters of routine and ordinary business may be voted on at the same meeting at which they are introduced. Any one Commissioner may delay the vote on a specific item and request additional information before completing its consideration.

- e. To facilitate sufficient time for reflective consideration of proposals by Commissioners and members of the public and staff, all proposals for policies\* which impact members of the public shall be voted on no sooner than the immediate next regular business meeting following introduction of the proposal in the form of a motion moved by a Commissioner. The introduction of a proposal is the “first reading” and the vote is the “second reading”. This requirement may be waived by a unanimous vote of the Commission.
- i. A policy proposal, once moved as a motion, may be discussed at subsequent Commission meetings without a vote required and may be amended at subsequent meetings.
  - ii. At any subsequent Commission meeting, and Commissioner may move “To vote immediately” on the policy proposal. This motion is not debatable and requires a two-thirds affirmative vote.
  - iii. The chair may call for a vote on the policy proposal at any subsequent Commission meeting and may proceed with a vote in the absence of any objections by other Commissioners.

\*Examples of policy actions include adoption of the budget, adoption of strategic and/or comprehensive plans.

- f. All motions require a second. In the absence of a second, the motion is declared dead.
- g. Minor amendments to a motion may be accepted as a “friendly amendment” by the maker of the original motion without a vote on the amendment.

- h. The presiding officer of the Commission meeting shall have the right to participate fully in the discussion and shall cast a vote on all motions.
  - i. The standard priorities and requirements for main, subsidiary, and privileged motions shall be used.
6. The draft agenda may be available by Friday of the week previous.
7. The Executive Director or his designee would be responsible for keeping track of each issue.
8. All public comments and questions should be directed to the Commissioners. If the Commissioners so desire, they may refer the question to the Executive Director, Port Attorney, and/or other Port Staff in attendance.
