About the SPRC: The SPRC, appointed by the Port’s Executive Director, Eron Berg, will be meeting in May and June 5 of 2025 to collaborate with Port staff in developing an updated Strategic Plan for review and consideration. It is expected that the SPRC will forward its recommended plan to the Port Commission at either its June 11 or July 9, 2025 Workshop Meeting. All SPRC meetings will be open to the public, although no oral public comment period will be provided. Meeting agendas and minutes will be made available [here](#).

Public comments may be submitted to the SPRC and will be included in the meeting record, provided submissions are received at least two hours before the start of each meeting. Please submit public comments to publiccomments@portofpt.us. Persons wishing to mail in public comment can do so by sending comments to Joanna Sanders, Administrative Assistant & Public Records Officer, P.O. Box 1180, Port Townsend, WA 98368. Please make sure "Public Comment" is clearly visible as part of the document.
